

DOMAINE MORAT

POUILLY-FUISSÉ climat "Le Haut de La Roche"

Our wine domaine is certified for Organic Agriculture FR BIO 15.

// VINEYARD OF ORIGIN //

- > France - Burgundy - Mâcon region
- > Village of Vergisson
- > "Le Haut de la Roche" *lieu-dit*: southeast-facing slope of the Roche de Vergisson
- > Shallow hard limestone soil from the Middle Jurassic Period
- > Plot adjacent to our "Sur La Roche" Premier Cru
- > Altitude: 410 metres
- > Slope gradient: 15%

// VITICULTURE //

- > Vine density: 9000 vines /hectare
- > Grape variety: Chardonnay
- > Pruning method: Guyot Poussard, arch-trained
- > Years planted: 1966-1977
- > Soil is ploughed. Natural plant cover
- > Natural manure
- > Controlled yields

// VINIFICATION //

- > Entire crop harvested by hand, at full maturity
- > Direct pressing in whole clusters
- > Cold settling
- > Must transferred to barrel before alcoholic fermentation
- > Ageing on the fine lees in French oak barrels (228 litres) for 11 months with 12% new barrels
- > *Bâtonnage* (lees stirred) depending on the vintage, with regular topping up
- > Light filtration before bottling according to the lunar cycle
